PRESS RELEASE

January 10, 2010

TRUMBULL HOUSING AUTHORITY – STERN VILLAGE RECEIVES \$500,000 FROM EVERSOURCE ENERGY

Trumbull, CT; Thomas Dorsey, Manager of Governmental Affairs at Eversource Energy, West Hartford, CT, presented Harriet Polansky, Executive Director of the Trumbull Housing Authority, with a check for \$500,000 to be used towards the rehabilitation of Stern Village during a Community Funding Event held on January 8, 2020 in the Henry Stern Center – Congregate Dining Room.

Guests included First Selectman for the Town of Trumbull, Vicki Tersoro, CT State Representatives, Laura Devlin, Ben McGorty and Dave Rutigliano.

The Trumbull Housing Corporation, a 501c3, was awarded \$500,000 in June 2018 and in June 2019 through the CT Housing Tax Credit Contribution Program (HTCC). The Trumbull Housing Corporation was established to support the Trumbull Housing Authority's mission to provide affordable, save and sanitary public housing.

The HTCC Program, administered by the Connecticut Housing & Finance Authority (CHFA) assists nonprofit entities to create Housing Programs and gives businesses an opportunity to invest in the projects. Private businesses can buy the tax credits and apply them to their corporate tax. CHFA allocates up to \$10 million annually in state tax credits under the HTCC program to nonprofits developing very low, as well as, low and moderate income housing in Connecticut.
